Police Department Staffing & Facilities Assessment

Sealed Proposals, plainly marked “**RFP #02-08, PROFESSIONAL SERVICES, POLICE DEPARTMENT MANAGEMENT, OPERATIONS, STAFFING, FACILITIES & EQUIPMENT ASSESSMENT**” on the outside of the envelope, addressed to the Town Administrator, Town of North Hampton, 233 Atlantic Ave., North Hampton, NH 03862 will be accepted until 2:00 p.m., Thursday, November 15, 2007, when they will be opened, read and referred for evaluation.

SCOPE OF WORK: The Town of North Hampton is requesting proposals from interested and qualified firms to conduct a Management, Operations, Staffing, Facilities and Equipment Assessment of the North Hampton Police Department for the purpose of determining if the current Police Department facilities and its organizational, managerial and operational practices and the related staffing and equipment levels of the North Hampton Police Department are appropriate and reflects the needs of the community. This assessment shall take into consideration such factors as community demographics, density of residential and commercial properties, service demands, resident desired service levels and federal and state regulations related to law enforcement services. In addition, the Board of Selectmen seeks facilities, organizational, managerial, operational, and staffing and equipment recommendations based on empirical reasoning and with attention to contemporary practices, industry regulations and standards and service level demands, both current and projected.

Contract work, with the exception of presentations to Selectmen and the public, shall be completed by March 31, 2008. The Town anticipates that the Board of Selectmen will select a contractor and issue a notice to proceed during the week of October 1, 2007.

A complete Request for Proposal package with supplemental data may be obtained on the Town's web site at www.northhampton-nh.gov or from the Town Office located on the second floor of 233 Atlantic Ave. or by calling the Town Administrator at 603-964-8087.

The Town of North Hampton reserves the right to reject any or all proposals, to waive technical or legal deficiencies, and to accept any proposal that it may deem to be in the best interest of the Town.

I. INTRODUCTION:

The Town of North Hampton is requesting proposals from interested and qualified firms to conduct a Management, Operations, Staffing, Facilities and Equipment Assessment of the Town of North Hampton Police Department (øDepartmentö). Sealed proposals shall be marked **øRFP #02-08, PROFESSIONAL SERVICES, POLICE DEPARTMENT MANAGEMENT, OPERATIONS, STAFFING, FACILITIES & EQUIPMENT ASSESSMENTö** and addressed to the Town Administrator, Town of North Hampton; 233 Atlantic Avenue, North Hampton, NH 03862. Proposals will be accepted until 2:00 p.m., Thursday, November 15, 2007.

The names of all Consultants submitting Proposals will be read aloud publicly at the Town Office at North Hampton on the date and time specified and the public is welcome to attend. Faxed proposals are *not acceptable* and will not be considered. Proposals received after the acceptance time will be returned to the consultant, unopened. The Town reserves the right to reject any or all RFPø, to waive technical or legal deficiencies, and to accept any RFP that it may deem to be in the Townø best interest. After opening the proposals, they will be evaluated by staff who will recommend a preferred vendor to the Board of Selectmen. The Board of Selectmen will make the final selection of a contractor.

Contract work, with the exception of presentations to Selectmen and the public, shall be completed by March 31, 2008. The Town anticipates issuing a notice to proceed during the week of November 19, 2007.

II. BACKGROUND:

The Town of North Hampton, located on the New Hampshire seacoast, has a year round population of approximately 4,600 residents and is situated 45 miles north of Boston on the -I-95 and U. S. Route 1 corridor. Structures include 1,469 single-family residential and 146 multifamily units along with commercial and retail space located primarily along Route 1. The Town is approximately 13.9 square miles. Hampton borders the community to the south, Stratham to the west and Greenland and Rye to the north. The Town is bisected by US Interstate 95 but there are no I-95 interchanges in North Hampton.

The Department is staffed with twelve sworn officers and one administrative person. It is currently housed in a 4,000 square foot facility that was built in 1991. The Department

furnishes law enforcement services to the Town of North Hampton. Dispatch services are furnished by an outside agency. The Department's operating budget for FY 2007-2008 is \$1,144,405, excluding special details. The Department's staff (excluding the Chief and Lieutenant) is covered by a collective bargaining agreement (CBA). (A copy of the CBA will be provided upon request.) The Department receives approximately 9,000 calls per year. Three years of NIBRS will be made available on request.

III. PURPOSE:

The North Hampton Board of Selectmen has authorized this RFP for the purpose of reviewing the existing facilities, organization, management and operations of the Department and to determine if the Department is housed, staffed and equipped at an appropriate level. This assessment should take into consideration such factors as community demographics, service demands, resident desired services and federal and state regulations related to law enforcement service delivery. In addition, the Board of Selectmen seeks facilities, staffing and equipment level recommendations based on empirical reasoning and with attention to industry regulations and standards and service level demands, both current and projected.

IV. MINIMUM SCOPE:

The successful firm shall review, analyze and report on existing facilities, organizational structure, management, staffing, equipment and operational practices, staffing work scheduling and equipment levels within the Police Department to determine if such facilities, practices and levels are appropriate while considering number of households, commercial space, services demands, and industry standards and regulations.

1. Assessment of the adequacy of the current Police Department Facility for current and projected uses and recommendations for changes, if any, in size and configuration of the Facility.
2. Assessment of the organizational, managerial and operational practices of the Department in relation to Federal and State requirements and guidelines and; in relation to contemporary practices and procedures employed by municipal police departments.
3. A comparative analysis of the Department's staffing, work scheduling and equipment with communities possessing similar characteristics and service level demands. Comparable communities shall have identities similar to North Hampton. Characteristics to consider shall include to the impact of being in the New Hampshire Seacoast region, proximity to an active nuclear reactor, mix of residential and commercial properties, and location within a 50-mile radius of a major metropolitan area and traversed by two or more high volume traffic corridors.
4. Make recommendations for alternative organizational and staffing structures to maximize labor efficiency and minimize costs.

5. Evaluate existing organization, staffing and work schedule in light of employee safety issues while performing their jobs, and quality of service considerations inherent in such policies, staffing and scheduling.

V. METHODOLOGY:

At a minimum, the consultant shall undertake the following actions in order to carry out the scope of work described above.

1. Interview all executive management, supervisory personnel and employees of the police department.
2. Review all departmental policies and procedures.
3. Interview department heads and town officials from surrounding communities relating to staffing, organization, scheduling, full time vs. part time, on call and other operational issues.
4. Reference any regionalization of public safety departments within the State or region as a guideline for recommendations thereon.
5. Perform a Compare and Contrast analysis of Department staffing and equipment levels with communities that share similar community demographics, service demands and resident desired services related to police and EMS professions.
6. Conduct a Community Survey to ascertain Residents opinions concerning levels of service, and adequacy of facility, equipment and staffing.

Meeting Requirements

As a minimum, the consultant shall attend the following meetings:

- Kick-off meeting to include: Board of Selectmen, Town Administrator, Police Chief and Lieutenant. The kickoff meeting shall establish responsibilities, lines of communications and finalize the schedule for project completion. The schedule shall include benchmark dates for the completion of identified tasks
- One interim project meeting to serve as a formal status report
- Presentation of the final draft written report to: Board of Selectmen, Town Administrator and Police Chief and Lieutenant
- One public presentation to present final written report findings and recommendations to the Board of Selectmen and the public, designed to allow for a formal presentation, a discussion of issues, and a question and answer period

The Board of Selectmen or their designee shall have the right to review all work product documents and to inspect, monitor or otherwise evaluate the progress of the work detailed

herein. The Board of Selectmen may require the filing of periodic reports on contract activities and progress at its discretion.

VI. DELIVERABLES:

The consultant shall make specific recommendations related to the management, operation, organization, work scheduling and staffing of the Department. Additionally, the consultant shall present a summary of current equipment levels and make recommendations related to projected equipment needs for the next ten years.

At a minimum, the consultant shall produce:

1. A formal written report (with an electronic copy in Microsoft Word format), of recommendations related to the organizational structure, work scheduling, management, operation, staffing and facilities and equipment, both current and projected, of and for the North Hampton Police Department. The report shall include the methodology and resources used to reach such conclusions as well as the results of the Community survey.
2. Appropriate summary presentation materials for use in Town meetings and other public forums. (PowerPoint presentation preferred.)

VII. SELECTION:

The Board of Selectmen will rank the candidate firms in order of qualification based on the evaluation of the written responses. Upon review of all responsive proposals the Town may select up to (3) firms to interview if necessary. Upon completion of the interviews the Town will attempt to negotiate a final Scope of Services and Price with the highest scoring firm. If the Town is unable to reach agreement with the highest scoring firm, the Town reserves the right to negotiate with the next highest firm until an agreement is reached. The Town reserves the right to discontinue the selection process at any time prior to the awarding of a contract. There will be no reimbursement to any candidate firm if the selection process is terminated. The contract shall include, among other items, a requirement that the consulting firm carry certain insurance policies naming the Town as an additional insured.

VIII. ADDITIONAL INFORMATION:

In consideration of all respondents, no oral interpretations or clarifications of the meaning of the RFP will be given.
